

**3D2N Sun Moon Lake Biking/Cingjing Minsu Experience**

## > Overview

Travelling to Taiwan during summer season, you can choose to visit the beaches in the southern part of Taiwan. Besides enjoying the warm weather and plenty of sunshine on the beaches, riding a bicycle around the beautiful Sun Moon Lake and staying in a modern, castle-style B&B minsu is another good alternative.

Our tour will bring you to Nantou, the only county in Taiwan that is not nearby the ocean. Sun Moon Lake is your first stop when you arrive at Nantou. Sun Moon Lake is the largest lake in Taiwan. This lake is famous for its clear, sparkling blue water set against a picturesque mountain backdrop. At here you will take the cable car overlooking the lake. After that you will take a boat tour around the lake.

On the second day, you will bike around the lake. This cycling route is “10 Breathtaking Cycling Routes“ around the world by CNN News. You will continue your tour to Cingjing after cycling. Cingjing Farm, with a favorable climate throughout the year, is a popular summer resort. Parents can take their children to the Green Grasslands to feed sheep and watch horse riding performance. Today you will overnight at the Cinghing minsu.

On the last day, you will have time to visit Paper Dome Church and Guansing Handmade Paper Mill. On the way back to Taipei, you can buy a good souvenir at Feeling 18c Chocolate Store. Then, tour ends when you arrive at Taipei.
